## **EATON'S TOWN MEETING 1997**

The annual Town Meeting of Eaton, NH was called to order on March 11, 1997 at 11 a.m. by Moderator Paul D. Hennigan. Mr. Hennigan announced a quorum present, that the return of the Warrant shows that it had been properly served, and read the "Call to Meeting." At this time the entire warrant was read, following which the Moderator stated the polls were open for voting on Article #1 of the Warrant. The remaining articles, #2 through #16 would be considered when the Meeting resumes at 8:PM

At 8:PM, Moderator Paul Hennigan announced, "A quorum being present, the 1997 Annual Meeting of the Town of Eaton, Carroll County, State of New Hampshire, now resumes for consideration of Articles #2 through #16 of the Warrant as duly posted and published." A motion was made by Mark Provost and seconded by Jim Brooks to dispense with the second reading of the Warrant at this time.

Mr. Hennigan asked us to all stand for the Pledge of Allegiance.

Mr. Hennigan remarked that we had no passings in the Town of Eaton for the year. He then addressed Jim Brooks to speak for the Selectmen. Jim presented Joyce Blue with flowers and a present and a card signed by the Town's people. He thanked Joyce for her six years of service and devotion to the job. Joyce was extremely appreciative and thanked the townspeople of Eaton and said it was an "honor" to have served.

Article #1 had been voted by official ballot from 11 a.m. to 6 p.m.. There were 82 ballots cast with a checklist of 243.

### **ARTICLE #1**

To choose all necessary Town Officers for the year ensuing. The following were elected -

Selectman for three years	Richard H. Young
Trustee of Trust Funds - two yrs.	Dennis Sullivan
Trustee of Trust Funds - three yrs	Joyce R. Blue
Auditor for one year	James C. Worcester
Highway Commissioner - one yr.	Elwyn R. Thurston

The following were elected on the School Warrant -

School Board  
Moderator  
Auditor  
Clerk

Jane Gray  
Mark Provost  
James C. Worcester  
Laura M. Nash

Mr. Hennigan requested all winning candidates to report to the Town Clerk after the meeting to find an appropriate time to be sworn in.

**ZONING AMENDMENTS**

Articles #1 - #6 passed with the following results:

#1	50-YES	26-AGAINST
#2	56-YES	21-AGAINST
#3	50-YES	26-AGAINST
#4	53-YES	23-AGAINST
#5	52-YES	24-AGAINST
#6	52-YES	23-AGAINST

**ARTICLE #2**

To see if the Town will vote to raise and appropriate the sum of \$315,400 for general municipal operations:

Executive	29,000
Election & Registration	2,000
Financial Administration	19,500
Revaluation of Property	4,200
Legal Expense	2,000
Personnel Administration	27,000

Direct Assistance	3,500
Parks and Recreation	9,000
Library	2,500

Interest on Tan	5,000
To Capital Reserve Funds	23,000
<b>TOTAL</b>	<b>315,400</b>

Recommended by the Board of Selectmen.

Alexander McKenzie moved that article #2 be adopted in the amount of \$315,400; Leona Hurley seconded.

Mark Provost wanted to know if the street lighting for \$2500 would cover the light out on Ridge Rd? Joyce Blue said she would contact PSNH.

Article #2 passed with a unanimous voice vote. There was no motion to reconsider.

### **ARTICLE #3**

To see if the Town will vote to raise and appropriate the sum of \$175.00 for the support of the Mount Washington Valley Economic Council.

Agreeable to a petition signed by Kevin J. Flynn and others.

Not recommended by the Board of Selectmen.

Kevin Flynn moved the article and Mark Provost seconded the motion.

Kevin Flynn read a prepared statement on the Economic Council. He provided some background on the Council and the efforts they were making to bring jobs into the Valley. There was a revolving fund to support businesses and a director had been hired. He said it would benefit the people of Eaton and recommended support of the article. Jim Brooks stated that the revolving fund should be self supporting and that the \$200,000 grant was for 2 years. He asked where were the salaries going to come from for the director and full time secretary after these moneys dried up? He stated that no town tax dollars should go to businesses. Mark Guerringue addressed the issue of the grant to be a "common good" for businesses. He did not agree with the salary for the executive director but the object was to create 25 jobs in the initial program in two years. Included in these jobs were: education in forestry, volunteers for MWV community in the

area of Social Services, and Internet access for the schools. Mr. Guerringue then asked for the \$175.00 to be endorsed by the town, for "it was a small price to pay." Mr. Guerringue stated that the Conway Daily Sun was a member of the Council. Cynthia Hatch asked why the amount requested had increased from last year. Kevin Flynn stated the hiring of the executive director and full time secretary has to be self sustaining by 1999. It has grown from a fledgling group, to plus or minus 250 members, with nominal dues.

Mr. Hennigan asked for the article to be voted on by a show of cards.

44-FOR      23-AGAINST

The motion passed

Mr. Hennigan asked if there was any reconsideration of the motion?  
The answer was no.

#### **ARTICLE #4**

To see if the Town will vote to raise and appropriate the sum of \$200.00 for the support of the Eastern Slope Airport Authority.

Agreeable to a petition signed by Nancy R. Worcester and others.

Not recommended by the Board of Selectmen.

John Connolly moved article #4. Richard Young seconded.

Alex Mckenzie read a list of area businesses served by the airport. The list was supplied by Richard Brackeft. James Worcester stated his wife's name appeared on the petition, but that she does not know where the airport is. Dick Brackett was recovering from a triple bypass and he was going to speak on his behalf. Mr. Worcester believed that Fred Ham and David Hastings Esq. had already sent a letter to the selectmen critical of the operation at the airport. Alex Mckenzie stated 60 businesses use the airport and that 72% of the people coming to the valley make use of it. It was unfortunate that the selectmen had a negative opinion, as it was used in emergency situations and for the support of businesses. Jim Brooks responded that the Selectmen had received the letters on the airport, but had previously agreed not to support the article. Jim Brooks stated that the income from operations should support the airport. They had a 13 million dollar expansion, with 90% from FAA, 5% from the State of

Maine, 5% from the airport, and purchased a \$132,000 plow truck. He did not believe they were strapped for money. He did believe there were concerns about the financial management of the airport. Mark Guerringue stated that it was important to show local support when they went to the Federal level.

Mr. Hennigan asked for the article to be voted on with a show of cards.

30-FOR      41-AGAINST

The motion failed.

Mr. Hennigan asked if there was any reconsideration of the motion. The answer was no.

#### **ARTICLE #5**

To see if the Town will vote to raise and appropriate the sum of \$770.00 for the support of the Children's Health Center.

Agreeable to a petition signed by Jacqueline M. Sparks and others.

Recommended by the Board of Selectmen.

Jim Brooks moved on the article. Mark Provost seconded.

Cynthia Hatch asked why the cost was up \$270.00 over last year's amount?

Jackie Sparks stated that in 1996 the amount requested was \$495.00, and the formula was \$55.00 per child to provide nutritional and immunization services. This past year had seen an increase (to 14) in the number of children in Eaton using the service.

Article #5 passed with a unanimous voice vote. There was no motion to reconsider.

#### **ARTICLE #6**

To see if the Town will vote to raise and appropriate the sum of \$759.00 for support of the Gibson Center for Senior Services, Inc.

Agreeable to a petition signed by Henry M. Fowler and others.

Recommended by the Board of Selectmen.

James Worcester moved the article. Robert Hatch seconded.

Article #6 passed with a unanimous voice vote. There was no motion to reconsider.

#### **ARTICLE# 11**

To see if the Town will vote to raise and appropriate the sum of \$391.00 for the Visiting Nurse and Hospice Care Services of Northern Carroll County Inc.

Agreeable to a petition signed by Jacqueline M. Sparks and others.  
Recommended by the Board of Selectmen.

Alex McKenzie moved the article. Sandra Thorns seconded.

Article #11 passed with a unanimous voice vote. There was no motion to reconsider.

#### **ARTICLE #12**

To see if the Town will vote to raise and appropriate the sum of \$93.00 in support of Carroll County Against Domestic Violence & Rape providing crisis services to the victims of domestic and sexual violence and their children.

Agreeable to a petition signed by Jacqueline M. Sparks and others.

Recommended by the Board of Selectmen.

Harry Fowler moved the article. Gloria Williams seconded.

Mr. Hennigan stated, "We are on a roll."

Article #12 passed with a unanimous voice vote. There was no motion to reconsider.

### **ARTICLE #13**

To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1.1 for the purpose of Office Equipment and to raise and appropriate the sum of \$6,000 from the General Fund Balance to be placed in this fund and to appoint the Selectmen as agents to expend.

Recommended by the Board of Selectmen.

Jim Brooks moved the article. Leona Hurley seconded.

Cynthia Hatch questioned, "What office equipment"? Joyce Blue responded this will in no way increase taxes. This is a technology fund, used to replace copiers and computers. This is to establish the onset of this fund. A lesser amount may be added year to year, to maintain the base, maybe \$1,000 yearly. Mark Provost asked where did the funds come from? Joyce responded from the general fund. Jane Gray said it would increase the bottom line of the operating budget. Joyce said it would not. Jim Brooks stated that it was moneys previously collected and not expended. Jane Gray said that it still increased the bottom line. Mr. Hennigan called upon David Maudsley, the town secretary to explain. David stated the appropriation was offset by an increase in revenues from money being transfered from the general fund balance. i.e. it was a wash item. Dick Fortin asked if that wasn't what the Capitol Reserve Fund was for? Jim Brooks stated it was now for the building maintenance and this article needed to be more defined.

Article #13 passed with a unanimous voice vote. There was no motion to reconsider.

### **ARTICLE #14**

To see if the Town will assign official road names (or what ever pertains) to all roads in the Town of Eaton and within three (3) years to appropriate moneys to make and erect signs for said named roads, etc. to be numbered within three (3) years to coincide with sign posting.

Agreeable to a petition signed by Edith Dashnau and others.

Not recommended by the Board of Selectmen.

Gloria Williams moved the article. Lucinda Goslee Seconded.

Edith Dashnau spoke passionately about the possible loss of history in the Town, "It would be a shame to lose it". Mr. Henney wrote 2 or 3 books on our history. Edith did not want us to be known by only our firelane numbers, but she made it a point to say this was in no way to replace them. Edith mentioned that local sign makers would be expensive, but the Town of Madison did half the town last year, at the cost of \$31.80 per sign, including sign, post and hardware. (\$17.75, sign \$9.75, post \$4.30, hardware) Edith had a list of 38 roads equaling a cost of approximately \$1275.00, for a three year project. She stated, "I live on Firelane 36, I would like to have a name on my road". Ralph Wilkewitz wanted to know why the Selectmen did not recommend the article. Jim Brooks stated he had done his homework. He came up with the cost of \$19.44 per sign, without hardware. Edith stated her estimate of \$31.80 was complete with hardware. Don Philbrick stated the reason they hesitated was no one came forward on this matter, they did not know what they were dealing with on the article. "Do you want us to name the roads"? He then gave several examples of different names for one road. Brian Bailey questioned labor and installation on the \$31.00. Edith Dashnau stated Madison used the highway department. Edith also stated there is a conflict of names. This needs to be addressed. She does a fair amount of catalog ordering and they did not want to take a Firelane number or post office box for delivery, they wanted a street name and number. Robert Hatch asked in case of fire, what would you give the firelane number or road name?

To discuss this further, I would like the moderator to appoint 3 members to discuss this matter further. Edith Dashnau agreed with what Linda stated. Don't throw this out with a no Gloria Williams suggested to 'able it for now Mr. Hennigan asked for a motion. Gloria moved the motion. Edward Ellis seconded. John Connolly asked to amend the article to read "To see if the Town will allow the Selectmen to study the names of street and report back to the meeting in 1998". Mr. Hennigan asked for Mr. Ellis and Mrs. Williams to withdraw their motion. They agreed.

John Connolly moved the motion. Kevin Flynn seconded.

Article #14 passed with a unanimous voice vote. There was no motion to reconsider.

#### **ARTICLE #15**

To see if the Town will vote to approve an ordinance for use of the Town Beach at Crystal Lake as follows:

1. Use of the Town Beach at Crystal Lake is restricted to property owners and taxpayers in Eaton and their guests.

2. A beach pass is required.
3. No alcoholic beverages are permitted at the beach.
4. No dogs or other animals are allowed on the beach.
5. Passenger vehicles only are allowed in the parking area.
6. No overnight parking is permitted.
7. The beach is closed between midnight and 5 a.m.
8. Any person violating any of the provisions of this ordinance shall be guilty of a misdemeanor and upon conviction, thereof, shall be liable to a penalty of not more than one hundred (\$100) for each offense.
9. If any section, or part of a section, of this ordinance is declared invalid or unconstitutional, it shall not be held to invalidate or impair the validity, force or effect of any other section of this ordinance.
10. This ordinance is enforceable by any law enforcement officer.

Recommended by the Board of Selectmen

Mr. Hennigan stated he had a written request for a secret ballot for article #15.

Alex McKenzie moved the article. Leona Hurley seconded.

There was an extensive discussion on this article, a summary of which is presented below. The tape of the discussion is on file at Town Hall.

Ralph Wilkewitz wished to amend the article to read: Striking #3, #5, and changing #7 to read the beach is closed between 10:PM and 5:AM. Jim Worcester seconded.

Mark Griffin asked for the beach area to be defined, sand or grove area included. Joyce Blue defined the beach area as sand and parking lot, border of girls camp, to boat launch or port O potties. She stated there had been countless problems over the six years she was selectmen. They were powerless to enforce the numerous phone call complaints. Phone calls can do nothing without an ordinance.

Problems were enumerated. We need you to empower us to enforce these problems, for taxpayers to enjoy a relaxing time on the beach. She asked Steve Richardson to speak. Steve Richardson, from the Sheriffs department, spoke from prior experience from other towns. He spoke regarding the alcohol statue. He stated, "without a Town ordinance, nothing can be done, unless a disorderly conduct complaint is listed". He stated the Motor Vehicle law was an open container violation. Barbara Gerling asked to vote on the amendment, and stated #8 would cover provisions if passed. Robert Donahue asked to delete #3. Mr. Richardson stated once you adopted the ordinance, there would be no drinking in public. John Connolly asked to address the amendment by eliminating #3 and #5. Ralph Wilkewitz asked to amend #5, because of tour buses etc. Much discussion ensued regarding. beach passes, out town people causing disturbances, port 0 potties, RVs, beach guards, tractor trailers parking overnight, alcohol, pollution, town insurance, overcrowding, liability problems, residents accepting responsibility for themselves, safety, children, casual drinking, permits for a party, window stickers for beach passes, etc. Mr. Hennigan asked for a vote on the amendment as Ralph Wilkewitz originally motioned. Any questions? Discussion over.

43-NO 30-YES

Mr. Hennigan stated amendment defeated. Stands as written.

David Condoulis asked to vote on each issue separately. There was no motion to second. Discussion continued.

Mark Guerringue made a motion to address #3 only and vote separately on #8, #9, and #10. Alex McKenzie seconded.

Mr. Hennigan asked Alex McKenzie and Leona Hurley to withdraw the original motion. They agreed, motion dropped. Discussion followed.

John Connolly asked to amend the motion on article #15 to #1, #2, #3, #8, #9 and #10, instead of 4, 5, 6 and 7. Dennis Sullivan seconded.

Mr. Hennigan read the motion as amended the second time.

38-NO 33-YES

Jim Brooks asked to move the article as originally printed. John Connolly seconded.

36-NO

33-YES

Mr. Hennigan stated the article #15 was defeated. Mr. Hennigan asked for the motion to reconsider. Edward Ellis moved the motion. William Thoms seconded.

## **ARTICLE #16**

To act on any other business that may legally come before this meeting.

Ralph Wilkewitz moved the article. Mark Provost seconded.

Article #16 passed with a unanimous voice vote. There was no motion to reconsider.

Mr. Hennigan stated he wished everyone to read the last paragraph of page 87 of the 1996 Annual Town Report, to keep our tax's down.

Meeting was adjourned at 11:06 P.M.

Respectfully submitted,

Colleen McCormack-Lane  
Town Clerk

**1997 TREASURER'S REPORT**  
**Carol L. Mayhofer, Treasurer**

The Town of Eaton has had another year in excellent fiscal shape. Thanks to prompt payment of taxes and careful budgeting, we continue to be able to pay all our bills without borrowing any money and continue to earn good interest on a substantial balance in a Municipal Bond Account. Our accounts received a nice boost from this year's timber sales.

## SELECTMEN'S REPORT

The Department of Revenues Administration came to Town in late summer to the revaluation. It is very different from the last time they came in 1984, particularly in how they process all the information and analyze the sales data. Overall, the valuation of the Town has increased by about 60%. The big changes are in land values whereas the increase in the value of buildings has been comparatively small. Within the Town, the biggest changes in the land values have been for waterfront property with very substantial increases being found for properties on Conway Lake. While all the information is now on the computer we are still striving to understand how it all fits together. However, the Town appraisers, Malcolm and Jason Call, are being brought up to speed on the software since they will be responsible for keeping the records up to date. Several changes were made when the DRA were doing the assessment cards. They recommended that, wherever possible, parcels that had previously been grouped as one for tax billing purposes should be split and accounted for separately. For a number of parcels in current use this may require redoing the management plans so that they correlate with the property boundaries.

Another major happening this past year has been to do with one of the bridges on Potter Rd. It has been red listed by the State. Plans for a replacement by Hoyle, Tannner & Associates, the company retained by the Town to act as consulting engineers, have been approved by the State Department of Transportation. The two existing culverts and wingwalls are in poor condition and not considered salvagable. The design calls for a precast concrete single span replacement bridge. Estimated cost is around \$122,000. The Town has been approved for 80% reimbursement from the State Bridge Program. Bridge repairs are expensive and townspeople should know that we have several other bridges that are also on the red list.

The town grader, which was new nearly 30 years ago, also need replacing. This is another expensive item and the Selectmen are proposing paying for it over a five year period instead of one lump sum. We have a significant amount in the capital reserve fund but not enough to cover all the cost. There will be a warrant article for Town Meeting on the issue.

Extensive meetings and discussions were held with PSNH and the Lucas Tree Company about trimming of trees on Eaton

roads. It was largely an exercise in trying to get them to follow their specifications. It may have been for nought given the damage that was done during the ice storm. However, we have just recently met with FEMA officials and the Town should get eventually reimbursed for about 87½ % of the cost of the storm. Properties at higher elevations, and this includes a number of Town lands, took a beating and it will be quite some time before they recover.

A feature of the summer has always been the swim program which has the aim of affording all youngsters in Eaton the opportunity to learn to swim. This past summer was another in a long list of successful programs. However, Tracy Pearce, who run the program for the last three years, has moved out of the area and we have to look for another instructor.

Clean Up Day and the Fourth of July cook out were two other very successful events thanks to Ralph Wilkewitz. Participation was excellent and the children, in particular, had a good time.

The revaluation of the Town coincided with an unusual largesse from the School resulting, for most people, with a relatively low tax rate. As clearly stated in the Tatler, this was a one time event and taxes will climb back to normal and even beyond for 1998. There are bridges to reconstruct, roads to pave, a landfill to close (and a new cell to open) and a new grader to purchase. However, the reminder of the budget is little changed.

## **PLANNING BOARD**

The Planning Board has had a quiet year with only three applications to address, including two subdivisions and one site plan review. Of these, the site plan review was the most challenging, in part, because there had not been a site plan review for quite some time.

Zoning changes proposed this year are the same as last year because of a technical flaw in the manner in which they were enacted. - they were inadvertently omitted from the warrant for the Town Meeting itself. Look for Article 2 this year! Since a couple of the proposals are fundamental changes in dealing with the expansion of nonconforming structures and building within the setback, it was deemed advisable to make sure their enactment was beyond reproach. The new amendments would permit a limited expansion of a nonconforming structure if granted a special exception by the Zoning Board of Adjustment and provided all of a given set of conditions are met. These conditions require, in part, that strict compliance is not possible and that abutting properties are not affected. A similar amendment would also permit a limited intrusion into the setback. The amendments also indicate that minor appurtenances such as steps and bay windows are permitted within the setback without having to go to the Zoning Board of Adjustment. Both of these proposed changes are in response to situations that already exist in Town. They continue the steady evolution to a more flexible Zoning Ordinance.

Work on the Master Plan progresses somewhat slowly. Adequate road and house maps from the E911 program have been slow in coming. The Capital Improvements Program needs to be updated. Also HIS (high intensity soil survey) maps are being phased out and we will have to bring our regulations in line with the new Order 1 maps. On the horizon, is the issue of telecommunications and cellular towers although it appears that some of the neighboring towns are doing much of the leg work on that issue.

This year we have lost one member. Earl Mayhofer has gone back to sea and can no longer be with us. We would like express our appreciation to him for many years of service to the Board.

The Board continues to meet on the third Wednesday on the month and we welcome input from residents of the Town.

## CONSERVATION COMMISSION

In 1997 the Eaton Conservation Commission engaged in many of its routine activities and worked to complete projects from the past year as well as taking on new projects and responsibilities.

The Commission continues to review Dredge and Fill applications and forest management related Minimum Impact notifications in its capacity as liaison to the New Hampshire Wetlands Bureau. 1997 saw the Commission reviewing three Dredge and Fill applications, less than half the number for the previous year.

Eight Notice(s) of Intent to Cut Wood or Timber were reviewed for compliance with Minimum Impact Notification criteria. This was down from eleven applications in 1996 and not nearly as many as the thirty-five Notices reviewed in 1993. All sites were visited briefly by a member of the Commission.

In April it was announced that the Conservation Commission was a successful applicant for a \$3,100 matching grant from the National Recreational Trails Fund administered by the NH Division of Parks and Recreation. This award made the third year of Foss Mountain Trail improvements possible last summer and should provide for completion of the trail project in the summer of 1998.

Once again, the trail work was accomplished with the help of the Sandwich Range Conservation Association trail crew with Dick Fortin supervising the project for the Commission.

The construction of a stone stairway established a new and more easily negotiable trailhead at the north end of the iron gate to the blueberry fields. Several catchments were dug along the trail to collect and help recover eroded trail materials and additional drainage diversions were dug.

The first of three informational kiosks was installed on the trail with another planned for the trailhead this summer. The kiosks will be used to present appropriate interpretive materials as well as regulatory directives. Interpretive messages on the kiosk panels will relate to the history, cultural activities, blueberry operation, geology, ecology, wildlife, and scenery encountered along the trail and surrounding area.

Recognizing the need to assert more control over unauthorized picking of the blueberry crop, the Eaton Selectmen authorized the Commission to hire part-time assistance from the Carroll County Sheriff's Department. Together with increased publicity through press releases, advertising and signs, the Commission hopes first to clarify and avert any further misconceptions about the policy regarding the harvest of blueberries on Foss Mountain. In cases where the message is clearly and flagrantly ignored the Town intends to use its enforcement options.

The Town owned blueberry fields on Foss Mountain and Brooks Pasture are currently leased to a commercial grower named Lloyd Merrifield. The Town's contract with Mr. Merrifield provides that he has the exclusive right to grow, maintain, harvest and sell the crop from the entire area, top to bottom.

Public picking is not allowed anywhere on Foss Mt. or Brooks Pasture until the commercial crop is harvested by Mr. Merrifield. It is a misconception that public picking is allowed on the top of Foss Mountain. When the commercial harvesting is completed notices will be posted at the Eaton Village Store and Town Hall opening the area to hand picking by the public. Blueberry rakes are not to be used.

Among the benefits of this lease are receipts of substantial income to the Town (\$1,200 - \$6,400 annually) and maintenance of open views through cultivation of the blueberry crop.

The financial benefit to the Town is shared by all through its impact on the budget and through Conservation Commission support of programs which maintain Town lands and provide conservation education to our young residents.

Without the yearly burning and brush control of blueberry cultivation the open views which are a hallmark of Foss Mountain would soon be blocked by encroaching woodland. Maintaining the views in the absence of blueberry cultivation would then be possible only at great expense.

The Commission asks that residents, visitors and friends please respect this contractual agreement and refrain from picking until the announcement is posted.

With the expiration of the current lease imminent the Commission is in the process of reviewing all aspects of the blueberry operations to include everything from the first cultivation activities to the final harvest of the crop.

The Commission continued its commitment to conservation education by making it possible for eight Eaton children to attend camp sessions at various Tin Mountain Conservation Center sites. Enrollment was down by two children from last year. Eaton children attending last summer were Sarah Fortin, Jacob Goodwin, Brett Guerringue, Lee Guerringue, Matthew Kelly, Brita Larson, Michael Larson, and Philip Trapasso.

In 1997 the Eaton Conservation Commission completed its second season of monitoring the quality of Eaton's lakes, ponds, and streams as participants in the New Hampshire Lay Lakes Monitoring Program (N.H. LLMP). The great success of this program is due to a dedicated group of volunteers led by Richard Fortin. Thanks to Dick, Harry Fowler and Anne Donahue of the Commission and to the core group of volunteers who stayed with it for a second season.

The results of the first year of participation in this program were presented in April and provide Eaton with good baseline information on the quality of local surface waters. Sampling locations and schedules were adjusted based on these results and in the interests of increasing efficiency and cost effectiveness. The Commission's new conductivity meter has become a very useful piece of equipment allowing immediate identification of suspect sites as well as providing useful routine information. Other projects the Commission is working on include the identification and mapping of vernal pools, the evaluation of wetlands, identification and prioritization of Commission programs and goals, and the review of its by-laws.

At its April meeting the Commission reluctantly accepted the resignation of Louise Gray. Louise rarely failed to attend a meeting and has provided much valuable input and hard work over the years.

Regular meetings of the Eaton Conservation Commission are held at the Evans Memorial Building at 7:30 PM on the second Monday of the month. Meetings are postponed one week when the

regularly scheduled meeting date falls on a holiday. Special meetings are given public notice.

Please note that all regular Conservation Commission meetings are open to the public. All are welcome to attend and those wishing to join or help in any other way may contact Commission Chairman Paul M. Savchick, any Conservation Commission member, or the Selectmen at Town Hall.

The names of those members responsible for the actions reported above are as listed below along with the expiration dates of their terms.

## **Mt. Washington Valley Economic Council**

1997 was a busy year for the Economic Council. The Board of Directors and staff have developed programs that support our mission and serve our twelve town region. We believe we have remained true to our mission to "improve and diversity the economic vitality in the Mt. Washington Valley Region" and we will continue to do so in 1998.

Following are highlights of 1997:

- \* Energy Workshops held in early 1997. Workshops explored the economic impact of our limited fossil fuel supply.
- \* Conducted a technology survey over the Internet. Survey results provide an inventory of technology professionals, potential employee market, and small business interest.
- \* Secured financial support from 11 of our 12 member towns
- \* Hired full -time executive director and administrative assistant to implement programs of the Economic Council.
- \* Secured permanent office space in Conway Village.
- \* Sponsored its first ever Energy Fair in conjunction with the Tour de Sol - over 200 attend the event at Schouler park.
- \* Implemented the Business Visitation program in the Valley. 240 business were targeted for 1997.
- \* Established a Revolving Loan Fund. Two loans made in it's initial year. Both loans made to local businesses.
- \* Developed a One Stop Business Resource Center in the Council office. The Council is joined by Anne Getchell or USDA and a newly formed SCORE Chapter. The SCORE chapter and USDA provide free business counseling to valley entrepreneurs.
- \* Established a monthly business leaders breakfast called Eggs & Issues. Governor Jeanne Shaheen keynote speaker at first breakfast. Breakfasts provide networking opportunities for business owners as well as present speakers of interest.
- \* Council forms partnership with local school districts to implement School to Work Program.
- \* Produced the Rural Technology Summit in mid-September.

In the coming year, the Council will continue to work to strengthen the economies of the twelve towns we represent. We ask your support in our effort and invite your participation. We encourage your comments and ideas and we hope you will join us in 1998 and make a real difference for the people of the Valley.

## **WARRANT FOR ANNUAL MEETING OF THE EATON SCHOOL DISTRICT**

To the inhabitants of the School District in the Town of Eaton, County of Carroll, and State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said District on Tuesday, the 10th day of March, 1998, to vote for the following District Officers. Polls will be open for this purpose at 11:00 a.m., and will not close before 6:00 p.m.

**ARTICLE 1.** To elect a Moderator for the ensuing year.

**ARTICLE 2.** To elect a Clerk for the ensuing year.

**ARTICLE 3.** To elect a member of the School Board for the ensuing three years.

**ARTICLE 4** To elect a Treasurer for the ensuing year.

**ARTICLE 5.** To elect an Auditor for the ensuing year.

**YOU ARE ALSO NOTIFIED TO MEET AT THE SAME PLACE AT 4:00 P.M. ON THE SAME DAY TO ACT UPON THE FOLLOWING ARTICLES.**

**ARTICLE 6.** Shall the School District accept the provisions of RSA 195 (as amended) providing for the establishment of a cooperative school district, together with the School Districts of Albany and Conway, in accordance with the provisions of the proposed articles of agreement filed with the school district clerk? (Recommended by the School Board)

**ARTICLE 7.** To see if the School District will vote to raise and appropriate the sum of \$2,000.00 to be placed in the Capital Reserve Fund (School Bus), established at the 1975 school district meeting, to be held in the custody of the Trustees of Trust Funds for the Town of Eaton. (Recommended by the School Board)

**ARTICLE 8.** To see if the School District will vote to raise and appropriate the sum of four hundred fifty-six thousand, two hundred and five dollars (\$456,205.00) for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the District, exclusive of other articles. (Recommended by the School Board)

**ARTICLE 9.** Shall we adopt the provisions of RSA 194-B, implementing an open enrollment school program for grades 9-12?"; and "Shall no more than 30% of the district's current pupil enrollment, grades 9-12, be eligible for tuition to attend open enrollment schools located outside the district?; and "Shall no more than 0% of the district's current pupil enrollment be eligible for tuition to attend open enrollment schools located inside the school district?" (Submitted by petition) (Not Recommended by the School Board)

**ARTICLE 10.** Shall the voters direct the school board to provide school bus transportation on ski days from the school to the regular bus stops following the Junior Ski Program? (Submitted by petition) (Not recommended by the School Board) (Estimated cost for this action: \$600)

**ARTICLE 11.** To transact any other business that may legally come before this meeting.

Given under our hands, this 4th day of February, 1998.

**CONWAY COOPERATIVE SCHOOL BOARD**  
**Proposed Articles of Agreement**

**NAME**

1. The Albany, Conway, and Eaton School Districts shall combine into a single cooperative school district to be known as the Conway Cooperative School District.

**MEMBERSHIP/REPRESENTATION**

2. The Conway Cooperative School Board shall consist of nine (9) members to be elected at large. Seven members must reside within the Town of Conway and one each in the Towns of Albany and Eaton. Initially, two members residing in Conway will be elected for one year; two members living in Conway and one living in Eaton shall be elected for two years; and three members living in Conway and one living in Albany shall be elected for three years. After the initial election, all shall be elected to three year terms.
3. The Conway Cooperative School District will serve students in grades K-12 from the Towns of Albany, Conway, and Eaton. The Cooperative District will be the receiving district for the districts included in the existing CONWAY AREA AGREEMENT.

**FACILITIES**

4. The existing Conway schools and the SAU #9 office, which is the property of the Conway School Board, will be purchased by and become the property of the Cooperative School District. The purchase will be at a cost equal to the official appraised value of the buildings and grounds as approved by the State Department of Education. If the purchase is not approved for state reimbursement of building aid at the rate of 45% of the total appraised cost of the buildings less any prior building aid paid to Conway, these articles become null and void. The purchase will be scheduled over a ten year period with no interest. The basis for allocating the purchase costs to the pre-existing districts will be 75% of the most recent available official

average daily membership (ADM) and 25% of the most recent official equalized valuation from the three pre-existing districts. The facilities become the property of the Conway Cooperative School District.

## **FUNDING FORMULAS**

5. The capital and operating expenses of the Conway Cooperative School District shall be apportioned 75% on the most recent available official Average Daily Membership (ADM) of the students from each pre-existing district and 25% on the most recent official equalized valuation of the three pre-existing districts as determined by the Department of Revenue Administration. A schedule of payments based on the respective shares of each town shall be established and revised as necessary by the Cooperative School Board and appropriate town officials (Selectmen) of the three towns. Payment will be made to the SAU # 9 offices.
6. State Foundation Aid and Federal Forestry Funds received by pre-existing districts shall continue to accrue to the benefit of each pre-existing, individual district to be applied to that district's share of the cost of the Cooperative District.
7. Any capital reserve funds or trust funds held by pre-existing districts shall be held by those districts and used as stipulated in the terms of the trust or reserve fund; except that the funds could be applied to the same purposes in the cooperative, or, could be applied as a credit to the pre-existing district's obligation for the first year's operation of the cooperative, or may be spread over the first five years of operation as determined by the voters of the pre-existing district. (RSA 195:11, 11a)

## **METHOD OF AMENDMENT**

8. These Articles may be amended at any time by a majority vote of the Cooperative School Board and a majority vote of the voters of each of the pre-existing districts using the respective town supervisors' checklists with the meeting time and place established by the Cooperative School Board except that the method of apportionment of operating and capital expenses may not be amended until five years after the date of the first annual meeting of the Cooperative.

## **TRANSPORTATION**

9. The Conway Cooperative School District shall be responsible for transportation for all students within the Cooperative. All buses and/or transportation contracts owned by pre-existing districts shall become the property and responsibility of the Cooperative School District.

## **WITHDRAWAL**

10. No pre-existing district may withdraw from the Cooperative until after ten years following the date of operating responsibility. Any pre-existing district may undertake a study to consider the feasibility and suitability of one or more districts withdrawing according to the terms of RSA 195:25.

Should Conway elect to withdraw, Conway would revert to the receiving district of the Conway AREA Agreement if, at the time of withdrawal, the Cooperative remains as the receiving district for the AREA. Should Conway withdraw from the cooperative, it must be according to the provisions and guidelines of RSA 195:25 and others as may be applicable. If Conway elects to withdraw, it will repurchase the facilities by paying Albany and Eaton for their equity share of the then current appraised value of the facilities including their share of any bonded indebtedness incurred by the cooperative.

## **EFFECTIVE DATE**

11. The Conway Cooperative School District will begin organizational efforts immediately following ratification by the voters, and begin operation on the second July 1 following approval by the respective towns and election of the Cooperative School Board. The Cooperative District will hold its first annual meeting in the March preceding the July 1 operational date to adopt its budget.

## **BUDGET COMMITTEE ESTABLISHED**

12. The Cooperative School District at its first organizational meeting shall establish a Budget Committee as authorized by RSA 195:12-a. The Committee shall have the same number of members as the Cooperative School Board including one member from the Cooperative School Board. The School

Board member shall be appointed by the Board and the other members shall be elected at large from among the participating towns with six members living in Conway, and one each in Albany and Eaton.

13. The Conway Cooperative School Board shall submit all issues requiring a vote of the legislative body to that body in an official ballot on the designated day. Prior to the designated day for balloting, the Cooperative School Board shall convene a Cooperative District Deliberative Session so the voters may discuss the proposed warrant for the ballot. At that session, voters may amend any article to be included on the official ballot. Timelines for the official meetings shall be established by the Board to coincide with the timelines developed for those districts using RSA 40:13. Should any article fail at the official ballot, it may not be reconsidered; except that should the budget article fail, the Cooperative Board shall determine whether to use the default budget representing the prior year budget plus or minus those expenditures required by law or contract; or to call a single additional special district meeting to consider another budget amount. Such special meeting convened to consider the budget shall be limited to that article and will be preceded by a deliberative session to discuss the article.

Approved by Cooperative Planning Board - December 4, 1997

Approved by New Hampshire State Board of Education - December 15, 1997

**Eaton School District Meeting  
Minutes  
March 11,1997**

The Annual meeting of the Eaton School District was called to order at 4:00 p.m. by School Moderator: Mark Provost.

**ARTICLES 1-5** were voted on by ballot and the following were elected:

<b>1. MODERATOR:</b>	<b>Mark Provost</b>
<b>2. CLERK:</b>	<b>Laura M. Nash</b>
<b>3. SCHOOL BOARD: (3 year)</b>	<b>Jane Gray</b>
<b>4. TREASURER:</b>	<b>Susan Brooks</b>
<b>5. AUDITOR:</b>	<b>James Worcester</b>

**ARTICLE 6**

Betsy Bungeroth moved to accept to raise and appropriate the sum of \$ 1,000.00 to be placed in the Capital Reserve Fund (School Bus), established at the 1975 school district meeting, to be held in the custody of the Trustees of the Trust Fund for the Town of Eaton. Jane Gray seconded the motion.

School Moderator- Mark Provost moved for discussion. With no discussion, the vote was taken and passed unanimously.

**ARTICLE 7**

Betsy Bungeroth moved to accept, the pursuant of RSA 195:18 to establish a cooperative school district planning committee of three qualified voters, of whom at least one member shall be a member of the school board, and to direct the moderator to appoint the three members to serve on that committee; and raise and appropriate the sum of one thousand dollars (\$1000.00) to fund the districts share of expenses for the planning committee to accomplish its task. John Eastman seconded the motion.

School Moderator- Mark Provost moved for discussion.

Carol Mayhofer moved to amend article 7, by deleting the sum of \$1000.00.

Jim Brooks questioned what the money would be used for?

School Board Chairperson- Jane Gray responded; the money would be used to pay for any legal expenses that may arise and for any other expenses.

Ed Ellis stated that per agreement Conway can not pull out of the AREA agreement.

Jane Gray replied; the AREA Agreement has no time limit. RSA 195:18 provides a mechanism for sending towns pulling out of the AREA Agreement, and that Conway has asked legislation to make a law giving them the right to pull out.

Carol Mayhofer asked to get the money from SAU 9, and to use there resources.

School Board Member- Sandra Scharin: responded by stating that they would be using the SAU 9 resources and that the \$1000.00 is an added insurance.

School Board Chairperson- Jane Gray; stated that Eaton and Albany are asking for \$1000.00, while the bigger towns are asking for \$3000.00 in their articles.

State Representative- Donald Philbrick; warned that there is currently a Senate Bill 115, looking for a committee to study and implement the issues relating to the withdrawal of a receiving district from an AREA school district, with emphasis on section 2 of the Senate Bill.

School Moderator- Mark Provost: read SB 11 5-L- section 2. As Amended By The Senate.

**AN ACT** establishing a committee to study issues relating to the withdrawal of a receiving district from an area school district.

2. Report. The committee shall issue a report including **PLANS FOR IMPLEMENTATION, ALONG WITH RECOMMENDATIONS FOR PROPOSED LEGISLATION NECESSARY FOR IMPLEMENTATION**, to the senate president, the speaker of the house, the senate clerk, the governor, and the state library no later than November 1, 1997.

School Moderator- Mark Provost moved for anymore discussion.

Cynthia Hatch questioned whether we would be excluded from any decisions if we did not approve of the article?

Jane Gray responded, she had no answer, either way, it would be up to the other towns vote as well.

Carol Mayhofer stated that the other towns were voting to delete the money figures from their articles as well.

Paul Hennigan inquired as to whether the committee members were chosen yet?

Jane Gray responded, not yet, we're looking for dedicated volunteers.

School Moderator- Mark Provost stated anyone wishing to volunteer may give their name to school clerk Laura Nash.

With no further discussion School Moderator- Mark Provost, re-read article 7 as amended.

Paul Hennigan and Jim Brooks both clarified that we would be voting on the amended version, to delete the sum of \$1000.00 from the article.

With a show of hands Article 7 as amended was defeated 27

- 4

School Moderator- Mark Provost moved for a vote on Article 7 as initially stated, and was unanimously passed as

written.

## **ARTICLE 8**

Jane Gray moved to accept to raise and appropriate the sum of four hundred eighty-three thousand, four hundred and eight dollars ( \$ 483,408.00) for the support of schools, for the payment of salaries for school districts officials and agents, and for payment of the statutory obligations of the District, exclusive of special articles. Alexander Mackenzie seconded the motion.

School Moderator- Mark Provost, moved for discussion.

Meg Gospodarek questioned if the budget was based on per pupil?

School Board Chairperson- Jane Gray, replied that the budget is made up of a combination of things and that the report is on page 80 of the town report, and that the budget is actually down 5~34% from last year.

With no further discussion, School Moderator- Mark Provost moved for a vote by show of hands~ Article 8 passed unanimously.

## **ARTICLE 9**

School Moderator- Mark Provost moved to transact any other business that may legally come before this meeting.

Meg Gospodarek questioned if we could get a bus to shuttle the children home from skiing after school programs?

School Board Chairperson- Jane Gray, suggested bringing it before the school board at their next meeting which is the first Monday of every month.

Laura Nash questioned why Pine Tree School Kindergarten classes are only 2 ½ hours long compared to other town schools?

School Superintendent- Harry Benson, stated that all the

schools Kindergarten classes are 2 1/2 hours long and the schedules are the same.

School Moderator- Mark Provost called for any new business.

With no new business Paul Hennigan moved to adjourn the meeting and Jane Gray seconded the motion

The meeting adjourned at 4:25 p.m..

Respectfully Submitted

Laura M. Nash  
School District Clerk

## **SUPERINTENDENT'S REPORT**

**By Harry L. Benson**

The schools in SAU #9 continue to improve the excellent education provided to students. The New Hampshire Educational Assessment and Improvement Program (NHEAIP) test is doing as projected -- showing us areas of strength and those in need of improvement. This year, Kennett tenth grade students rated among the top ten schools in the State. While it is still early in the assessment program, the results indicate that we are improving, yet much remains to be done. Teachers and principals are continuing to review curriculum, aligning it with State standards, and establishing benchmarks for each grade level. Last June, we published end of grade expectations for students in grades K-6. We're working on grades 7-12 now, and reviewing the K-6 standards for revision as appropriate. This is a time-consuming process, but will enable the teachers and principals to communicate more clearly with parents regarding student expectations. Teachers and principals are working to improve instruction and focusing on problem solving and higher order questioning to challenge all students.

Kennett High School completed its ten year accreditation process with the New England Association of Schools and Colleges (NEASC). The Association accredited the school, but also warned it to correct several deficiencies. Some of those regarding air quality and physical environment have been addressed. The space needs continue to be an issue. Educationally, Principal Carol Blotner and her staff are working to revise curriculum, strengthen standards, and make adequate courses available for all students. The school is an excellent secondary institution, but there is always room for improvement.

The Mount Washington Valley Academy alternative school demonstrated better than expected success during its first year of operation. One student completed the GED and entered college, and four others returned to Kennett as planned. We are pleased with this alternative setting for at-risk students and hope to expand it to the 30 student enrollment as originally intended.

The School Board has worked hard to provide direction for the school system while maintaining a quality program under the constraints of the default budget which was adopted last year at the direction of the voters. The Conway School Board is now involved in a strategic planning process. This activity provides opportunities for all citizens

to become involved and to share with the Board their ideas and recommendations for quality education. It is important that each of you is involved. Also, the Board has negotiated contracts with all of the unions, and these are on the ballot for your consideration. Acceptance by you, the voters, is important to the Board and the entire system. I urge you to consider the articles carefully.

The Albany/Conway/Eaton Cooperative Planning Board has adopted Articles of Agreement which, if adopted by the voters in the three towns, will form a single, cooperative school district from the three separate districts. Such a cooperative has benefits to all three towns. It is important that you study the issue carefully and vote at the polls on election day.

As I retire in July, I believe I am leaving the system better than when I arrived, but there is still much room for improvement. I am particularly pleased with the principals of the Conway schools -- indeed all principals in SAU #9. We have excellent educational leadership for which the entire town and Valley can be proud. A study of the SAU management reports that the school system is fiscally prudent in spite of the increases resulting from increased enrollments and a higher cost of doing business. The business staff carefully watches the taxpayers' funds while we operate the biggest and most important business in the Valley.

Education is positive in the Valley; however, it can improve and you can help it by becoming involved. Contact the staff at a school and volunteer your time, services, and knowledge for a few hours each month. You and the entire community will benefit.

## **PINE TREE ELEMENTARY SCHOOL**

### **Principal's Report**

**By Laura Jawitz**

There is nothing like a power failure to reaffirm in one's mind the value of the written and spoken word. As I write this in pencil in the gloom of a winter ice storm, it reminds me of the importance of this year's school focus, "Literacy." This reminds me that proficiency in communicating our thoughts and ideas are the heart of our mission at Pine Tree School. This year we have rededicated ourselves to ensuring that all our instruction is based in these core elements.

Through several grants, and with the help of community resources and the PTA, we have been able to give our students many varied experiences to help encourage their literacy development.

Kitchensink/Artist in Residence Program - Students learned how to interpret their writing using drama.

H.O.T. School - We continued expanding our use of the concepts of the Higher Order Thinking Skills Philosophy to celebrate student work and achievements at monthly showcases.

Reflections Program - A PTA-sponsored program which encourages independent creative works by students at the state and national levels.

As a staff we continue to look for methods of improving student achievement.

This year we are working with Lesley College and Ohio State University to bring the ELLI program to our school. ELLI stands for Early Literacy Learning Initiative. ELLI represents a long-term commitment to ensure successful literacy achievement for every child.

Students have benefited from a grant that provides for an after-school Homework Club. This program gives academic assistance to our students. Students, teachers, and parents are very pleased with the positive results that they have already seen.

Our computer lab continues to provide students with the tools necessary for their success in the 21st century. Staff and students are using the technology in all curricula areas. The Internet has allowed students to access information unavailable to them before.

The implementation of a Character & Citizenship program within our schools this year has reminded us of the importance of educating our students to be responsible members of society.

We are very fortunate to have a strong Student Council that not only offers students an opportunity to learn about government, but also give them real opportunities to serve others through contributions to the community. As a result of their fund-raising efforts, our new school sign proudly announces ongoing events at Pine Tree School.

Students have learned how to settle their own disputes through peer mediation training. This program instills in our students skills that they will use throughout their lives. The peer mediators were trained through a grant.

Our Polish intern, Przemyslaw Laczynski, provides our students with the opportunity to learn more about another culture within their own community. As an ambassador, he has enriched the lives of everyone at Pine Tree as he teaches us about his life in Poland.

We would like to thank the community and the PTA for their continuing support. Their goal of providing opportunities for family involvement has been realized through events such as Fall Family Fling, Technology Night, Secret Santa, and Winter Social. The school volunteer program, sponsored by the PTA, continues to be extremely successful.

The dedication of our highly-skilled staff continues to provide our students with the quality education they deserve. Their efforts, along with those of the parents and community, provide for the successful partnerships and programs which make Pine Tree School "A Great Place for Learning."

## **INDEPENDENT AUDITOR'S REPORT**

**TO THE BOARD,  
SCHOOL ADMINISTRATIVE UNIT #9**

We have audited the accompanying general-purpose financial statements of the School Administrative Unit as of and for the year ended June 30, 1997, as listed in the table of contents. These general-purpose financial statements are the responsibility of the School Administrative Unit #9 management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amounts that should be recorded in the General Fixed Assets Account Group are not known.

In our opinion, except for the effect on the general-purpose financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the School Administrative Unit #9 as of June 30, 1997, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

IF YOU HAVE A FIRE....The Town of Eaton pays for all fire and rescue calls made by the Conway Fire Department out of tax monies; individuals pay nothing. The Town does not pay for non-emergency ambulance calls. You can save the Town a considerable amount of tax money by requesting your agent to include in your Insurance policy - at nominal cost - a "Recovery Clause" which will pass on to the insurance company at least some of the cost of response by the Conway Fire Department. Contact the Selectmen or your agent for details.
